WHY? EGYPT

We Are moving

- 1 Egypt's strategic geographic location makes it a crucial hub for logistics and transportation; the country is a key transit point for international trade, emphasizing the importance of an efficient logistics, warehousing and material handling network.
- 2 In the heart of Egypt's economic landscape, the triumvirate of logistics, storage, and material handling plays a pivotal role in propelling the nation forward. This intricate ecosystem forms the backbone of various industries, contributing to economic growth, operational efficiency, and the overall development of the country.
- 3 With the massive rise of e-commerce segment in Egypt, the demand for efficient warehousing and storage solutions has surged. The ability to quickly and accurately fulfill orders, manage inventory, and deliver products to consumers has become a critical aspect of the booming digital economy in Egypt.
- 4 Logistics, storage, and material handling are instrumental in facilitating seamless trade and commerce; efficient transportation, warehousing, and material handling systems ensure the smooth flow of goods both domestically and internationally, fostering economic connections and bolstering Egypt's position in the global market.
- 5 The development of the logistics, storage, and material handling systems is closely intertwined with the growth of Egypt's industrial sector. Efficient material handling and storage systems are essential for manufacturing, construction, and other sectors, providing the necessary foundation for increased production capacity and industrial expansion.

HANDLING EXPO PROMOTION CAMPAIGN

We Are moving

MEDIA CAMPAIGNS

1 With over two decades of experience in promoting a wide range of events in Egypt and looking after the media, we are planning to maximize event coverage for **HANDLING EXPO** through extensive print & online media campaigns covering listings in both print and online directories, print advertising, online advertising, local press conferences and both print and online press releases.

ONLINE PRESENCE

2 **HANDLING EXPO** will be given added value through an online presence with promotions through the official website, digital channels, online communities, email shots and digital advertisements to ensure that audiences have every opportunity to attend the event.

RADIO ADVERTISING

3 Strategic spots at select local stations will serve as an extra reminder for visitor audiences to get involved with **HANDLING EXPO** as the unpatrolled event.

PRESS RELEASES

4 Ensuring that key journalists are kept fully informed with this year's content, features and attractions at **HANDLING EXPO** and making the news through a locally held press conference and schedule of press releases so as to keep the event in the mind of audiences and increase the show's visibility and awareness through announcements and updates.

MOBILE MARKETING

Mobile marketing promotions aimed at industrial visitors will spread the word on **HANDLING EXPO** keeping audiences up-to-date and fully aware on why the event is the preferred meeting point for the industrial sector.

SOCIAL MEDIA

From daily show updates to sponsored posts, **HANDLING EXPO** news via social media outlets will reach out to target visitors across all essential channels, reminding them of all that is new and featured at **HANDLING EXPO** this year.

OUTDOOR PROMOTION

The organizers will also ensure that the **HANDLING EXPO** brand receives maximum exposure through outdoor campaigns including billboard displays in prime locations and industrial cities to ensure that visitors get every incentive to attend the event.

TARGETED TRADE INVITATIONS

30,000 targeted invitations will be sent out to trade delegates & related members of the Industrial community prior to the event, ensuring they 'save the dates' for **HANDLING EXPO** & have adequate time to plan their visit in advance and arrange appointments for important discussions.
